DISCUSSION REGARDING "OMBUDSMAN" STUDENTS AT-RISK PROGRAM PROPOSAL

Board members had previously discussed a proposal calling for a new alternative education program for "at-risk" students. The program is intended for students having difficulty with their schooling, but who do not qualify for special education services. The district would contract with Ombudsman Educational Service, Inc. to operate the program at an off campus site. Board members asked questions regarding the program and asked for additional information. Dr. McGrew, Dr. Brockelman, and other members of the staff responded to the question, but indicated not all questions could be answered prior to implementation of the program because of the nature of the program. After discussion the Board took the following action.

MOTION TO APPROVE "OMBUDSMAN" STUDENTS AT-RISK PROGRAM PROPOSAL
