

BOARD POLICY: STUDENT DRIVERS

8210

Section A

The superintendent, or designated representative, is authorized to set forth reasonable procedures for students driving private automobiles to school.

Section B

The dean of students shall maintain an accurate list of all students allowed to drive private automobiles to school. A special Glenbrook parking sticker shall be issued to all such students and shall be prominently displayed on the student's automobile. Students shall purchase the parking sticker at a fee determined annually by the school Board.
