The advertisements must be consistent with this policy and its implementing procedures and must be approved by the school board in its sole discretion. No board approval is required for commercial material related to graduation, class pictures, class rings, athletic, theater, music programs or student publications.

2. No individual or entity may advertise or promote its interests by using the names or pictures of the school district, any district school or facility, staff members, or students except as authorized by and consistent with administrative procedures and approved by the board.
