Current Year Payment on Contracts For Indirect Cost Rate Computation

Please do not remove and reinsert this tab from the workbook or paste into this tab. The AFR will be returned to the auditor if this tab is completed incorrectly.

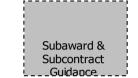

This schedule is to calculate the amount allowed on contracts obligated by the school district for the Indirect Cost Rate calculation. The contracts should be only for purchase services and not for salary contracts. Do not include contracts for Capital Outlay (500) or Non-Capitalized Equipment (700) on this schedule. They are excluded from the Indirect Cost Rate calculation.

To determine the applicable contracts for this schedule, they must meet ALL three qualifications below:

- **1.** The contract must be coded to one of the combinations listed on the icon below.
- 2. The contract must meet the qualifications below on the "Subaward & Subcontract Guidance" and the "Indirect Cost Rate Plan" (Sub-agreement for Services).
- 3. Only list contracts that were paid over \$25,000 for the fiscal year.

Use the resources to the right to determine if the contract should be listed below.

Indirect Cost Rate Plan

Column A, B, C, D below must be completed for each contract. Enter Column B without hypens. Ex) 101000600

Column (E) and (F) are calculated automatically based on the information provided in Columns (A through D).

The amount in column (E) is the amount allowed on each contract in the Indirect Cost Rate calculation. The amount in column (F) is the amount that will be deducted from the base in the indirect cost rate (tab 41) for Program Year 2024.

	DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION								
	Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1)								
1									
	estructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit eduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the								
	Y2023 annual budget to be amended to include a Deficit Reduction Plan and narrative.								
	The "Deficit Reduction Plan" is developed using ISB	E guidelines and is include	ed in the School District B	udget Form 50-36, beginn	ing with page 22. A plan	is required when the			
		perating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending							
	fund balance (cell f11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.								
3									
4	- If the FY2023 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.								
5	- If the Annual Financial Report requires a deficit reducton plan even though the FY2023 budget does not, a completed deficit reduction plan is still required.

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT ON THE ANNUAL FINANCIAL REPORT

December 13, 2022

Members of the Board of Education Northfield Township High School District 225 Glenview, Illinois

We have audited the basic financial statements of Northfield Township High School District 225 (the "District") as of and for the year ended June 30, 2022, and have issued our report thereon, dated December 13, 2022, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to December 13, 2022.

The accompanying Annual Financial Report, Form ISBE SD50-35/JA50-60, for the District as of and for the year ended June 30, 2022 has been prepared in the form prescribed by the Illinois State Board of Education, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information, except for the financial profile information, estimated financial profile summary, supplementary schedules, statistical section, estimate indirect cost rate for federal programs, report on shared service or outsourcing, administrative cost worksheet, and itemization schedule, as listed in the table of contents, which were not audited, and on which we express no opinion, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information, except for those portions identified above as not audited, is fairly stated in all material respects in relation to the basic financial statements as a whole.

The answers to questions 1 through 25 contained in the "Auditor's Questionnaire" on page 2 are based solely on the procedures performed and data obtained during our audit of the basic financial statements of the District as of and for the year ended June 30, 2022.

This report is intended solely for the information and use of the Board of Education, management of the District, and the Illinois State Board of Education ad is not intended to be and should not be used by anyone other than these specified parties.
