DISCUSSION/ACTION: HEALTHCARE PREMIUM RATES FOR PLAN YEAR SEPT. 1, 2018 TO DECEMBER 31, 2018

The administration:
- Reviewed the memo
- Noted the renewal period is for four months
- Explained all the aspects of setting the premium
- Noted pre-renewal rates were discussed in collective bargaining
- Stated realignment will start in January
- Shared that some of the increases in plans were overestimated and explained why
- Reviewed the rates from February vs. current
- These rates do not represent a realignment
- Explained that some may choose a different plan during the insurance renewal period that will be in force for four months
- Noted we can’t predict what rates will be as of January 1
- Indicated the Board would pay approximately $100,000 less to health plans, this represents a softening for the Board and for employees

In response to Board members’ questions, the administration stated:
- The deductible will carry-over into the next plan year
- There is a 16-month deductible period regardless of plan change
- If there is a shift to HMO, the deductible is lost from PPO plans

The administration stated:
- A new wellness plan will be brought forward for less money
- Financial incentives for wellness will be discussed at Cost Containment
- Incentives should not become an entitlement
- Better rates and a true realignment will happen in January
- It is too early to give numbers on what will happen in January
- Human Resources would like to follow Gallagher’s lead on the four-month enrollment period

In response to board members’ questions, the administration stated:
• A full plan renewal with adjusted premium equivalents will take place in January
• Four months are projected based upon PPM and then market trends are applied
• Multiple carriers applied for stop loss and we stayed with the same company, Munich

A Board member requested information on the math behind the renewal rate.

The administration:
• Stated stop loss carrier options should be explored, relative to rebates
• Noted SSCRMP is the consortium for stop loss carriers
• Explained the experience on stop loss premium is aggregated within the consortium
• Stated the agreed upon stop loss amount is currently $250,000
• Reminded the Board that the timeline relative to insurance will change with the new January 1 plan year
• Indicated insurance discussions will begin at the Finance Committee meeting
• Dental, life and disability will be shopped in the future
